

DSL38 Multimedia Standing Desk

**AUDIO VISUAL
FURNITURE
International**

The **DSL38** is a height-adjustable mobile ADA desk designed for versatility and functionality. It includes a storage compartment tailored for our DIR9200-8 equipment and additional cubby space for personal items. Crafted with durable and scratch-resistant thermowrap panels, its contemporary design blends sturdiness with style. Enhanced with side modesty panels and underside compartments, doubling as secondary work surfaces, this desk is ideal for training sites, classrooms, labs, offices and lecture halls, offering flexibility and convenience for various professional settings.

Standard Features

- Personal storage cubby
- ADA compliant
- Linak® height adjustable electric actuators
- Heavy duty casters
- Wire management solutions throughout entire unit
- Perforated metal air ventilation
- Highly resistant thermowrap finish
- Ships assembled
