

PD4502 podium is an alternate version of the PD4501, the only difference being the height and that it only comes in a flat top configuration. It features a large customizable top surface to support monitors, laptops and room control systems. It also boasts a front storage area, a side doc cam or projector shelf, front and rear interior access with security locks, PC tower space, ample 14U rack rails for additional electronic equipment.

Standard Features

- 3 rear doors for easy access to equipment from audience side (2 lower cabinet doors with locks)
- Front & rear sets of 14U 19" rack rails (26.13" Deep).
- Locking acrylic door
- Locking storage compartment
- PC space with front access
- Document camera/projector shelf
- FAN Quiet cooling 120mm fan
- Pull-out keyboard tray
- Heavy duty casters (2 locking)
- Available in our laminate finishes
